## Auction Student Art Available to Purchase

If you haven't yet purchased the beautiful candle holder your child made for the Auction, it is available for you to do so. The cost is \$20. It comes with a tea light in it, but some students are taking this out and using their decoupaged glass piece as a pencil holder.

By purchasing this you are not only supporting HFS, but also providing your child with a great reminder of the 2023-24 school year.
